

Foundation Programs

Creative Play ages 5 - 13

Children enjoy a day of active fun and quality care. They'll meet new friends, interact with our expert educators, and get stuck into all sorts of creative play—arts and crafts, guided nature play, active games and loose parts construction play using our popular Play Pods.

Sparks Early Years

In Sparks we invest in a lower child to Educator ratio enabling our youngest children to experience a day full of Nurtured Play with dedicated staff in a creative environment designed to inspire your child's imagination and compassion.

Specialised Programs for ages 7 - 16

Visual Arts

Immerse your child in the wide world of Visual Arts and unleash their creativity. They'll spend a day creating their very own masterpiece, learning new skills as they choose between a suite of exciting artist-led workshops across a range of mediums including Printmaking, Ceramics, Mixed Media, Sculpture & Painting.

Dramatic Adventures

Sign your child up for a historical, literary, or fantastical adventure they'll never forget. They'll get the chance to play a character in a collaborative, improvised tale and experience an immersive blend of storytelling, improvised theatre, role-playing, tabletop games, and live-action physical games unique to this one-of-a-kind program.
